

Accessibility Statement for Stiklings

This is an accessibility statement from STIKLINGS C.I.C.

STIKLINGS C.I.C. (*hereafter known as Stiklings*) is committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user friendly to everyone. Whilst Stiklings strive to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the website and we are currently working to achieve this. Be aware that due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility.

If you have any comments and or suggestions relating to improving the accessibility of our site, please don't hesitate to contact us by 07527479187 or stiklings@gmail.com. Your feedback will help us make improvements.

Measures to support accessibility

Stiklings takes the following measures to ensure accessibility of:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.
- Integrate accessibility into our procurement practices.
- Provide continual accessibility training for our staff.
- Assign clear accessibility goals and responsibilities.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Stiklings is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.
